Whispers of the Wild

Keen eyes glimmer beneath the vast, blue skies,

Amidst the gum trees where the soft breeze sighs.

Nature's wonders leap with grace, so bold,

Guiding hearts to stories yet untold.

Inspired by courage, let our spirits soar,

Rising in harmony, forevermore.

Out in the wild where kangaroos roam free,

Underneath leaves, dwell koalas with glee.

Shall we stand united, humanity and nature's call?

To weave a world where love conquers all
